

Download File PDF Intranet Solutions For Small Business

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

The screenshot shows the ITConnect Intranet Solution webpage. At the top right is the ITCube logo. Below it, the text reads: "ITConnect is off the shelf intranet solution that is built especially for small businesses. Built on top of the Microsoft Office 365 and Microsoft SharePoint Foundation platform, it offers plenty of useful features that help small businesses to get started with Intranet solution." Below this, it says: "The Intranet solution leverages windows 8 metro interface. Use tiles offer all the up-to-date information at a glance. ITConnect can be customized as per the business requirement by adding specific applications for increased business process automation." A central image shows a "Highly intuitive Metro interface with Live Tiles" with a caption "Glimpse of ITConnect Intranet Solution". At the bottom left is the ITCube logo, and at the bottom right is the website URL "www.itcube.net" and email "inquiry@itcube.net".
